FOURTH INTERIM APPLICATION OF BANNER & WITCOFF, LTD.,
INTELLECTUAL PROPERTY COUNSEL TO DELPHI CORPORATION, SEEKING
ALLOWANCE AND PAYMENT OF INTERIM COMPENSATION AND
REIMBURSEMENT OF EXPENSES UNDER 11 U.S.C. SECTIONS 330 AND 331

Banner & Witcoff, Ltd. ("Banner"), intellectual property counsel for Delphi Corporation ("Delphi"), and a Retained Professional, submits this fourth interim application seeking a fourth interim allowance and payment of compensation and reimbursement of expenses under 11 U.S.C. §§330 and 331, for the period from October 1, 2006 through January 31, 2007 ("the Application Period").

STATEMENT AT THE OUTSET PURSUANT TO GUIDELINES

Banner submits this interim application for (a) allowance of compensation for 219.10 hours of professional legal professional services provided by Banner to Delphi, in the amount of \$85,631.00 and (b) reimbursement of actual and necessary charges and

disbursements incurred by Banner in the amount of \$1,762.24, for a total of \$87,393.24, in the rendition of required legal, intellectual property professional services on behalf of Delphi in the time period of October 1, 2006 through January 31, 2007.

SUMMARY SHEET AND CERTIFICATION

A Summary Sheet is attached as Exhibit A. A Certification is attached as Exhibit B.

CONTINUED APPLICATION

In support of this fourth interim application, Banner further represents as follows:

BACKGROUND

1. On October 8, 2005, Delphi and certain of its United States (“U.S.”) subsidiaries (the “Initial Filers”) filed voluntary petitions for relief under chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”), in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”). (On October 14, 2005, three additional U.S. subsidiaries of Delphi (collectively with the Initial Filers, the “Debtors”) filed voluntary petitions for relief under the Bankruptcy Code. The Debtors continue to operate their businesses as “debtors-in-possession” under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

RETENTION OF BANNER

2. On January 3, 2006, pursuant to an application dated December 6, 2005, the Bankruptcy Court entered an order titled “Order under 11 U.S.C. §§327(3) and 1107(b) and Fed.R.Bankr.P. 2014 Authorizing Employment and Retention of Banner & Witcoff, Ltd. as Intellectual Property Counsel to Debtors (“Banner Retention Order”),”

(Docket No. 1708) Exhibit C, and thereby granted the Debtors' request to employ Banner as intellectual property counsel under sections 327(e) and 1107(b) of the Bankruptcy Code and Rule 2014 of the Federal Rules of Bankruptcy Procedure, with approval of such employment being effective as of the Petition Date, October 8, 2005.

EVENTS BEFORE THE APPLICATION PERIOD,
INCLUDING IDENTIFICATION OF LITIGATION THAT GIVES RISE TO THIS
APPLICATION AND BANNER'S TERMS AND CONDITIONS OF ENGAGEMENT
IN REPRESENTING DELPHI IN THE LITIGATION

(This description is abbreviated. Please see past Banner fee applications for more
information on periods before the application period.)

3. Delphi is a defendant in two civil actions for patent infringement in which Banner lawyers have represented Delphi from before the Petition Date. These are (a) Automotive Technologies International, Inc. ("ATI") v. BMW North America, Inc., et al., Appeal No. 06-1013 (Federal Circuit September 29, 2005) and its underlying case, Civil Action No. 01-71700 (April 30, 2001), and (b) Automotive Technologies International, Inc. v. Delphi Automotive Systems Corporation, et al., Civil Action No. 04-72035 (E.D.Mich. April 30, 2005). Together, these cases are routinely called the "ATI" cases by Banner.

4. Banner was retained to represent Delphi in the ATI cases by an exchange of letters of engagement described in paragraph 10 of an Affidavit of Charles W. Shifley filed in support of the application for retention of Banner, Exhibit D. See also Exhibits E and F, the subject letters of engagement. These letters reflect voluntary accommodations to Delphi including discounted rates and rates fixed over time.

5. Civil Action No. 04-72035 was stayed during the pendency of Appeal No. 06-1013 and remains stayed by District Court order.

6. Delphi has an indemnity agreement with General Motors Corporation implicated in the identified civil actions for patent infringement. Pursuant to the agreement, at Delphi expense, Banner represents and has represented General Motors Corporation in these actions as well as Delphi.

EVENTS BEFORE THE APPLICATION PERIOD
CAUSING NECESSARY AND REASONABLE SERVICES AND DISBURSEMENTS

7. On November 14, 2005, Delphi served the appellate court and its opponent in the identified appeal with its Suggestion of Bankruptcy and Notice of Operation of Automatic Stay.

8. On December 13, 2005, the appellate court issued an order temporarily staying briefing in the appeal and directing Delphi and its opponent to file status reports every sixty (60) days concerning whether this Bankruptcy Court has lifted the stay. Banner represented Delphi in response.

9. In a period from about January to about June, 2006, Banner represented Delphi in mediating the case. Mediation was not successful.

10. In July, 2006, Banner dealt with a court order lifting the stay and scheduling appellate briefing.

11. In July, 2006, and continuing in August, 2006, Banner began and continued drafting of a required appellate brief.

EVENTS DURING THE APPLICATION PERIOD
CAUSING NECESSARY AND REASONABLE SERVICES AND DISBURSEMENTS

12. In October, November, and through December 13, 2006, Banner continued drafting of the required appellate brief, through its complete drafting, and supervised its printing, filing and service. The drafting included extended, detailed

analysis of the appellant's brief, a cross-appellants' brief, a draft co-appellee's brief, and all related case law and the factual record, as well as co-ordination with Delphi and General Motors in-house counsel, and co-appellee's counsel.

13. In December 2006 and January, 2007, after December 13, 2006 and through January 31, 2007, Banner studied co-counsel's appellate brief, handled a rejection of the Delphi brief that was mistaken, studied appellant's reply brief, and began preparation for oral argument. The preparation for oral argument included extended, detailed analysis of the allegations of appellant's reply, related case law and the factual record, as well as communications with Delphi and General Motors in-house counsel, and appellate counsel for all other parties.

COMPLIANCE BY BANNER'S INVOICES NOS. 1636430, 1638732, 1642565 and
1645264 WITH 11 U.S.C. 330, THE INTERIM COMPENSATION ORDER AND FEE
GUIDELINES

14. This application and Banner's invoices Nos. 1636430, 1638732, 1642565 and 1645264, Exs. G, H, I and J comply with 11 U.S.C. 330, the Interim Compensation Order (Docket No. 869), as amended by supplemental orders (Docket Nos. 2747, 2986, 3630 and 4545)("the Fee Order") and the U.S. Trustee Fee Guidelines, the Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases, and the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases (together, "The Guidelines"), to the best of Banner's ability to provide compliance, and in that they contain all required information and are for necessary and reasonable services and disbursements provided to Delphi in the ATI cases.

15. The Certifying Professional certifies this application as in his Certification, Exhibit B.

16. Further, among other matters, lists of the individuals who provided services during the statement periods are at page 2 of Invoice 1636430, page 4 of Invoice 1638732, page 6 of Invoice 1642565 and page 3 of Invoice 1645264, Exs. G, H, I and J, and in the Summary Sheet, Exhibit A. All listed individuals other than Mr. Rechtien are attorneys. Mr. Rechtien is a law clerk.

17. The Banner invoices also comply in that respective billing rates, aggregate hours, and reasonably detailed breakdowns of disbursements, and contemporaneously maintained time entries for each individual in increments of tenths (1/10) of an hour are all part of the invoices.

18. The Banner invoices also comply in that disbursements are billed at rates and in accordance with practices customarily employed by the applicant and generally accepted by the applicant's clients, and the disbursements, for photocopies, both internal and external, telecommunications, both toll charges and facsimile transmissions, courier and freight, printing, court reporter and transcripts, messenger services, computerized research, out of town travel expenses, word processing, secretarial and other staff services, cellular telephones, overtime expenses, local and daytime meals, local transportation, and all other disbursements, satisfy the requirements of The Guidelines.

19. Banner believes its invoices and this application also comply with all other aspects of the Fee Order and all applicable laws, rules, orders, guidelines and the like. To any extent there is any technical noncompliance, Banner respectfully requests a waiver for any such matter.

ALL REQUIRED NOTICES HAVE BEEN PROVIDED; THERE HAS BEEN NO
OBJECTION

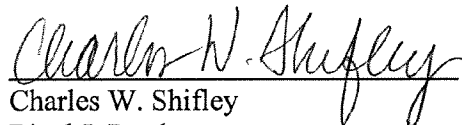

20. Banner has provided all required notices pursuant to the Fee Order, including serving monthly statements under paragraph 2(a) of the Order, except as relieved by Fee Committee communication that Fee Committee members do not want papers, by serving this fee application under paragraph 2(a) of the Order, and by serving an e-mail notice of the filing of this application and a listing of exhibits filed in support of it on the 2002 Entities List pursuant to paragraph 8 of the Order. See Exhibits K and L.

CONCLUSION

WHEREFORE, Banner respectfully requests that the Court (a) enter an order allowing interim compensation of \$85,631.00 to Banner for necessary and reasonable professional services rendered as attorneys for the Debtors during the application period, plus reimbursement of actual and necessary charges and disbursements incurred in the sum of \$1,762.24 for a total sum of \$87,393.24 and, (b) grant such other and further relief as is just and equitable under the circumstances.

A proposed order is attached at Exhibit M.

4. Banner is well qualified to assist the Debtors in the manner described in the Application. Banner is a nationally well-known and respected intellectual property law firm almost all of whose lawyers are experienced, registered patent lawyers with technical degrees. Banner has successfully represented Delphi and its predecessor, General Motors Corporation, in many patent infringement cases. Banner has also represented Delphi and its predecessor, General Motors Corporation, in other patent infringement counseling. Banner enjoys extensive experience in intellectual property law and cases in the Debtors' industry, including currently pending patent infringement cases against Debtors. Consequently, Banner can economically, successfully, and uniquely represent the Debtors in cases currently pending and similar intellectual property matters. Accordingly, the Debtors believe that Banner is well qualified to serve as an intellectual property counsel in these chapter 11 cases in an efficient and effective manner.

5. Also, Banner has advised the Debtors regarding other intellectual property matters. Based on the services that Banner has rendered to the Debtors, Banner is thoroughly familiar with certain intellectual property matters relating to the Debtors.

6. Generally, in connection with the Debtors' cases, Banner intends to provide to the Debtors with the following types of professional services:

- (a) representation, both currently and if any appeal were to follow, in Automotive Technologies International, Inc. v. BMW North America, Inc., et al., Appeal No. 06-1013 (Federal Circuit September 29, 2005) and its underlying case, Civil Action No. 01-71700 (April 30, 2001);
- (b) representation in Automotive Technologies International, Inc. v. Delphi Automotive Systems Corporation, et al., Civil Action No. 04-72035 (E.D.Mich. April 30, 2005), a patent infringement case that was stayed during the above-identified appeal;
- (c) preparation of legal opinions involving Debtors' claims relating to the Debtors' products and patents, as well as claims made by competitors;
- (d) representation of the Debtors for a broad scope of intellectual property law services.

7. In light of certain existing client representations on unrelated¹ matters, the engagement of Skadden, Arps, Slate, Meagher, & Flom LLP ("Skadden, Arps") as the Debtors' bankruptcy counsel, the engagement of Shearman & Sterling LLP ("Shearman") as the Debtors' special counsel, the engagement of Togut, Segal & Segal LLP ("Togut") as the Debtors' conflicts counsel, and the engagement of other counsel for the Debtors, Banner will not be responsible for or undertake any representation with respect to (a) advising the Debtors concerning specific contracts and claims of certain of Banner's existing clients and (b) reviewing, interpreting, or commenting on the specific contracts and claims of certain of Banner's existing clients. These existing client relationships, and the scope of the carve-out from Banner's retention, are discussed more fully below.

8. It is Banner's understanding that the Debtors may request that Banner undertake specific matters beyond the limited scope of the responsibilities set forth above. Should Banner agree in its discretion to undertake any such matter, it is Banner's understanding that the Debtors will seek further order of this Court.

9. Banner is making efforts, together with the Debtors' other counsel to ensure that there is no duplication of effort or work between such firms and Banner. It is Banner's intention that the estates should receive the best value possible from the efficient coordination of work among its counsel. Banner believes that its lawyers and the rest of the lawyers retained in these cases have to date delineated clearly, and will continue to delineate clearly, the division of work between them, so as to avoid any duplication of effort and to maximize the efficiencies of the proposed arrangement.

10. Banner has in the past been employed and retained pursuant to certain engagement letters between the Debtors and Banner, dated October 7, 2004 and November 19, 2004 (together, the "Engagement Letters"), and pursuant to additional terms. The additional terms are that Banner agreed that its discounted hourly rates would remain in effect through the remainder of the cases that are subject to the Engagement Letters, the rates being subject to renegotiation three years after the Engagement Letters if the cases remained pending then. Banner also agreed to represent the Debtors in preparing legal opinions and other matters at standard hourly rates or for pre-agreed total charges.

11. Banner agrees to accept as compensation for the services rendered in connection with its representation of the Debtors compensation on the terms set forth in the Engagement Letters and the additional terms identified above.

12. Banner acknowledges that all amounts paid to Banner during these chapter 11 cases are subject to final allowance by this Court. In the event that any fees or expenses paid to Banner during these cases are disallowed by this Court, the fees and expenses will be disgorged by Banner and returned to the Debtors or as otherwise ordered by this Court.

13. Banner categorizes its billings by subject matter, in compliance with the applicable guidelines of the Office of the United States Trustee (the "U.S. Trustee Guidelines"). Banner acknowledges its compensation in the Debtors' cases is subject to approval of this Court in accordance with section 330 of the Bankruptcy Code, Bankruptcy Rule 2016, and the U.S. Trustee Guidelines.

14. Banner has conducted a check for conflicts of interest and other conflicts and connections with respect to the Debtors' bankruptcy cases. Banner maintains a database containing the names of current, former, and potential clients and other principal parties related to such clients. I caused Banner to review and analyze the conflict database to determine whether Banner has any connection with the principal parties-in-interest in these chapter 11 cases, using information provided to Banner by the Debtors and Skadden, Arps and information contained in the database, including (a) the names of the Debtors' prepetition lenders, (b) the names of significant creditors of the Debtors, and (c) the names of firms that the Debtors intend to or may employ during their chapter 11 cases.

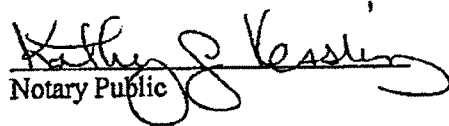

15. Based upon this research, I have determined that Banner has in the past represented, currently represents, and will likely in the future represent certain of the Debtors' creditors and other parties-in-interest in matters unrelated to the Debtors or these chapter 11 cases. Banner has represented, currently represents, and will likely in the future represent, such creditors and other parties-in-interest, and their related entities, in such matters, including:

General Motors Corporation ("GM"), where Banner has been directed to do so by Delphi as a matter of assisting Delphi in meeting contractual indemnity obligations to GM, with the consent of both companies; Dura Automotive Systems, Inc.; Illinois Tool Works, Inc.; Cargill, Inc.; Allstate Insurance; AT&T, Nokia Corporation; John Hopkins University; Harley Davidson Motor Company; Circuit City Stores, Inc.; Microsoft Corporation; and Technitrol, Inc. I do not believe that the foregoing raises any actual or potential conflicts of interest of Banner relating to the representation of the Debtors in these chapter 11 cases, but such relationships are disclosed out of an abundance of caution.

16. It is my intention that if Banner becomes aware of any other connections of which it presently is unaware, Banner will bring them to the attention of this Court and the U.S. Trustee.

Re: ATI Patent Litigation

Dear Charles:

This confirms that Delphi Corporation has retained Banner & Witcoff to represent Delphi in the following patent infringement cases:

- 1) *Automotive Technologies International v. BMW of North America, et al.*
Case No. 01-CV-71700 (E.D. of MI), Delphi Matter No. 2001-000762 (ATI I); and
- 2) *Automotive Technologies International v. Delphi, et al.*
Case No. 04-60083 (E.D. of MI), Delphi Matter No. 2004-000564 (ATI II)

Except as provided herein, this engagement letter supercedes the previous engagement letter dated August 28, 2002, between Delphi and Banner & Witcoff for the ATI I matter.

I will be responsible for managing these matters and will be your direct contact at Delphi. Please include the Delphi file numbers shown above in all correspondence and invoices with this office. To the extent possible, we request that you bill activities on these matters separately. In situations where the time spent on activities for these matters cannot be conveniently distinguished, please bill commingled time to the ATI I matter. In the event that one or more of these actions become consolidated, we will inform you as to the Delphi matter number under which you should subsequently bill your time.

We have approved a four-person Banner & Witcoff attorney team to work on these matters. Banner & Witcoff has agreed to discount its regular hourly professional rates on these matters as listed below:

<u>PROFESSIONAL</u>	<u>REGULAR HOURLY RATE</u>	<u>DISCOUNTED RATE</u>
Charles Shifley	\$455	\$435
Binal Patel	\$335	\$320
Matt Becker	\$310	\$295
Ted Field	\$220	\$215

Additionally, you agree that the discounted hourly rates will remain in effect through the remainder of these cases. Others from your firm may be necessary to assist us on this litigation, but you have agreed to obtain our written permission before engaging them. No fees will be paid for work performed by others before you have obtained our written permission.

Banner & Witcoff agrees to pay one hundred percent (100%) of the transportation expenses for travel to Detroit incurred by Banner & Witcoff team members on these matters. Additionally, Banner & Witcoff agrees to continue the practice of not billing Delphi for travel time on these matters.

You agree to continue to accrue a 5% credit on all professional billings for the ATI I matter as originally agreed in the engagement letter dated August 28, 2002.

You also agree to accrue a credit to Delphi in the amount of five percent (5%) of your professional billings on the ATI I matter to be used as payment by Delphi for services on any future matter, when and if we retain your firm. This credit shall accrue from the first dollar of ATI II fee billings but shall not vest until fee billings for the ATI II matter exceed \$1,000,000. Separate billing of these matters is essential for correct calculations of our credit. It is our intention to process your monthly billing statements promptly, but at times it may take forty-five days or more to process your bill once it has been received.

We expect that the Delphi team assigned to this case will be fully engaged. The Delphi team will manage the document collection, coding and preparation of document chronologies. We also plan to fully participate in discovery, motions, and strategies necessary to successfully defend and prosecute these actions. We wish to do everything we are able to do on these litigations in-house. To help us achieve this, we ask that before your team undertakes an activity, you first review it with us to see if we have the resources available. Please call Joe Papelian or me at any time if you believe we are not able to supply the support needed to successfully litigate these matters

We expect that your hourly billable rates include all overhead and internal charges associated with your practice. A copy of our recently revised billing instructions and limitations is attached and incorporated into this engagement agreement by this reference. Any questions about billing procedures should be addressed to Michele Piscitelli, who can be reached at 248-813-2511.

As you know, we view the relationship between our companies as a "partnership" in which we both work together and communicate well with each other, to serve the best interests of Delphi. Your dedicated work and willingness to provide creative fee arrangements that recognize the financial pressures of the automotive supplier industry has placed Banner & Witcoff on a select counsel list for Delphi's litigation matters.

We request that you endorse this engagement agreement below and return an executed copy for our records.

Please call if you have any questions.

Dear Will:

We have a few more changes for our engagement together in the ATI cases. Our principal issue is the term of engagement concerning fixing rates for the life of the engagement. We are cautious about the open-endedness of such a term. As an example, I have a case now that has lasted eleven years in district court, and has started into its second appeal. It has potential for several more years of proceedings.

Our primary intent is to maintain and strengthen our relationship. The discounts that are present in the lawyer hourly rates stated in your letter of October 7th are approximately 4% of standard rates. We expect to increase rates in February such that the discount for 2005 will conceivably increase to 8%. In addition, we are agreeing to the 5% credit and transportation terms.

Generally, we are against our rates being fixed. By the terms of your letter, Delphi is gaining significant advantage in receiving the 5% credit, especially with Delphi and the firm agreeing to the 5% being applied from \$1. Consistent with our primary intent but also our opposition to rate fixing, especially rate fixing for an indefinite and potentially long time, we can accept the hourly rates as stated in your letter, if fixed until the end of 2005, with rates thereafter being our standard rates. We also propose that the ATI II credit apply to the future litigation from when time billing for the future litigation starts.

We also suggest clarifying that the 5% credit currently accruing and continuing to accrue on ATI I will be for future patent application, patent opinion and other patent-related transactional representation. We also propose that the ATI II credit apply to the fees that accrue on a future litigation, applicable when that future litigation begins.

We also ask that Delphi provide us some flexibility in the attorneys who may represent Delphi in the two cases, by engaging with us in introducing Delphi to more attorneys than on the current list of approved attorneys, especially to possibly include some of our attorneys in our Washington, D.C. office.

If you can accept these few modifications of the terms proposed in your letter of October 7, 2004, we have an agreement for engagement. I have held our billing for time back to September 1, 2004. I will now bill it at the agreed rates.

Very truly yours,

Charles W. Shifley
